

The Fremont Conservation Commission in conjunction with the Fremont Open Space Advisory is collaborating with the Society for the Protection of New Hampshire Forests (SPNHF) to effect the permanent protection of the 338-acre parcel known as Glen Oakes.

I pledge \$_____ to the Fremont Conservation Commission for the purchase of an 18 month transferable option agreement providing for the purchase of fee interest in 313-acres and a conservation easement on the remaining 25 acres, on the condition that the aggregate pledges received by the Fremont Conservation Commission total the \$45,000 option price before June 30, 2004. If this condition is met, this pledge will be paid in full by July 15, 2004.
